Precision Ground Inserts in Just 7-10 Days

• Delivery in 7–10 days if you supply materials for grinding top and bottom, periphery and hone.
• Add 3 days if we supply material from stocked standard blanks.
• Add 3–5 days if we supply coatings (available in most standard flavors).

Price List

Shape	IC size	Qty - Price Per Piece 100	250	500	1000
Triangle	0.375	$ 4.88	$ 3.46	$ 3.00	$ 2.75
	0.500	$ 5.00	$ 3.67	$ 3.20	$ 2.96
	0.625	$ 5.50	$ 4.13	$ 3.66	$ 3.42
Square, 80 Deg Diamond	0.375	$ 4.97	$ 3.57	$ 3.09	$ 2.86
	0.500	$ 5.22	$ 3.80	$ 3.33	$ 3.09
	0.750	$ 6.20	$ 4.80	$ 1.31	$ 4.10
Octagons/ Hexagon	0.375	$ 5.30	$ 3.89	$ 3.42	$ 3.18
	0.500	$ 5.50	$ 4.13	$ 3.66	$ 3.42

Pricing and turnaround are based on top and bottom grinding, periphery grinding and honing of customer-supplied material. Grinding must be from negative blanks into negative inserts or positive blanks into positive inserts using industry-standard amounts of grind stock.

The maximum radius for this promotion is 1/16”, and the maximum hone is .002”. For requests outside these parameters or those requiring material supply and/or coatings, we will be happy to generate a firm quote.

Please send quote requests to sales@knightcarbide.com ,
or submit them directly at knightcarbide.com/get-a-quote.
